

Anton Ekström

IT Student at Chalmers

I enjoy creating software and pursuing smaller projects in my free time. Primarily I am interested in design of graphics and software architecture.

Onsala Högåväg 14

Experience

Chalmers IT Committees / Treasurer & PR

FEB 2021 - MAR 2022, Gothenburg, Sweden

I am involved in two committees at the IT student division. I am treasurer for *digIT* where we maintain and develop software for IT students. I also do PR for *armIT*, primarily we communicate with other businesses.

Kungsbacka Municipality / Caretaker

JUL 2018 - AUG 2018, Kungsbacka, Sweden

General maintenance, gardening and furniture relocation.

Circle K / Internship

2017, Onsala, Sweden

Assistance with general tasks such as cataloging, stocking and package handling.

Education

Chalmers University Of Technology / Software Engineering

AUG 2020 - JUN 2025, Gothenburg, Sweden

Currently pursuing a bachelor's degree in Software Engineering. Afterwards I will hopefully continue studying for a master's degree.

Elof Lindälvs Gymnasium / Technical

AUG 2017 - JUN 2020, Kungsbacka, Sweden

Technical education with an orientation in information technology. Passed the majority of courses with special distinction. Also took several additional courses in mathematics, physics and english.

Skills

Comfortable with (not exclusively) the following programming languages:

Java, Javascript (TypeScript), C#, Python

Technologies of note which I am familiar with:

React, Redux, Git, Node.js, Unity, Webpack, Electron

Languages

Fluent in Swedish and English.
